

Gallardo & Lamas Periodontics and Implant Dentistry Welcome New Oral Surgeon

Dr. Juan Carlos Arroyo brings 20 years of Maxillofacial Surgical experience to Gallardo & Lamas.

Miami, Florida ([PRWEB](#)) February 17, 2015 -- Gallardo & Lamas Periodontics and Implant Dentistry, one of the [most respected dental practices in South Florida](#), have added accomplished oral surgeon Dr. Juan Carlos Arroyo to their practice.

Dr. Arroyo boasts over 15 years of experience in 3rd molar removals, canine exposures, and oral pathology. Furthermore, Dr. Arroyo possesses the highest of qualifications and is extremely well skilled in all phases of Maxillofacial Surgery.

Dr. John Paul Gallardo and Dr. William P. Lamas took great efforts to find an [oral surgeon](#) who could uphold the high level of service their patients have come to know and expect.

"Dr. Arroyo comes to us with 20 years of clinical experience and expertise in the field of Oral and Maxillofacial Surgery," said Dr. Lamas. "He brings unique treatments ranging from impacted [wisdom teeth removals](#), [dental implants](#), tissue regeneration and rejuvenation, facial pain and injuries, and TMJ disorders."

Dr. Lamas added that Dr. Arroyo will make a great addition to their practice.

"Our goals have always been to lead with the most innovative and cutting-edge treatments to our patients," said Dr. Lamas.

Dr. Arroyo received his dental degree in 1991 from the University Of Puerto Rico School Of Dentistry. He went on to complete his residency at Columbia Presbyterian Hospital in New York City. He also completed a residency in Maxillofacial Surgery at Jackson Memorial Hospital at the University Of Miami School Of Medicine in 1999.

Additionally, Dr. Arroyo is looking forward to serving the patients of Gallardo & Lamas Periodontics and Implant Dentistry with the same demeanor and compassion that have made him a success in his field.

Dr. Gallardo said the addition of Dr. Arroyo will help expand the practice's range of patient procedures.

"We wanted to provide the full spectrum of surgical services," said Dr. Gallardo. "Being that IV sedation is already performed in the practice, we see no reason that a patient cannot enjoy the benefits of having periodontal therapy, dental implant, and wisdom teeth removals done under one roof and on the same day." Patients deserve to see what the practices of tomorrow can do today.
